

CCGI Super Clinic Objectives

CCGI's 2009 Super Clinic is designed for beginning through advance gymnast. Boys and girls.

Ages 5 through Adults.

We hope to inspire each gymnast to be the best gymnast they can be. Motivate them to work hard to achieve their goals.

For the beginner gymnast we want to have a good time while learning basic skills and progressions. The benefit that is learned from gymnastics is experienced in almost any sport or activity that they choose to participate in.

For the optional gymnast we will help them develop skills that will advance them to the highest levels.

Attention Coaches!!!! The CCGI Super Clinic is designed to help further each coaches expertise in spotting and teaching of new skills

Join in the fun with the staff at the pool party on Saturday after camp!! Details will be in your confirmation letter.
